

QuickPay

Virtual OfficeWare Healthcare Solution's QuickPay solution allows your office to quickly post payments on outstanding patient balances or today's visit without accessing Centricity™.

Benefits & Value

- ◆ Post payments against multiple visits with a single mouse click
- ◆ Displays balances for all outstanding tickets on a patient's account
- ◆ Prints detailed patient receipt
- ◆ Provides a secure alternative to the full Centricity payment posting component for front desk users

Virtual OfficeWare Healthcare Solution's QuickPay solution integrates directly with Centricity™ Practice Management, streamlining billing tasks and allowing greater workflow efficiency

QuickPay is a simple, yet valuable solution that allows prompt and secure payment entries. With QuickPay you can quickly post a single payment against today's visit as well as prior visits with outstanding balances.

Convenient & accommodating QuickPay provides an easy-to-use screen for adding a patient payment at the time of service, allowing front staff to enter payments without accessing Centricity Billing. ◆
