

VisualNote

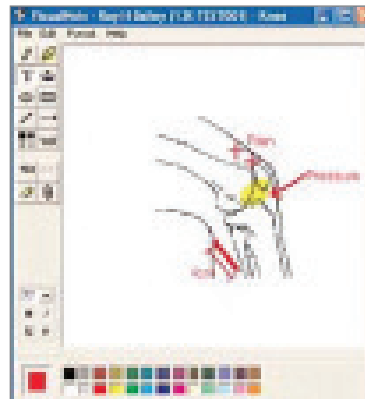

Further enhancing the GE Healthcare Centricity™ Solution by adding even more innovative design to simplify your laboring tasks.

Benefits & Value

- ◆ Create and store an unlimited number of template diagrams
- ◆ Annotate diagrams with a large array of powerful drawing tools

Seamlessly integrate annotated diagrams into your EMR patient visit. Draw directly on pre-defined templates with easy to use tools and save the completed diagram to the EMR chart with a single click.

VisualNote's integration with EMR allows you to easily customize your EMR encounter templates and forms to incorporate annotated diagrams into your workflow. ◆
